PLEASE PAY SPECIAL ATTENTION TO THE FOLLOWING!

*1 As the lower part of the AUDI Q5 8R2 rear bumper is not compatible with our 8R rear spoiler, it is necessary to order an original rear spoiler for the previous AUDI Q5 8R model (dated before 2013), to ensure the spoiler is compatible with the motorized tailgate, park assist and tow bar.
Audi Part number available upon request.

*2 Our wheel arch extensions can't be fitted without our front bumper.

*3 Except for the Q5 3,0 TDI 230 kw 313 hp BiTurbo (SQ5) + Hybrid 180 kw

*4 Attention!: The CARACTERE' exhaust system can fit the Q5 2,0 TFSI 165 kw 225cv BUT is not DEKRA certified.

*5 As the roof spoiler and the rear spoiler are not compatible with the exterior S-LINE packet, it's necessary to order the standard versions of those parts.
Audi Part number available upon request.

Please check the compatibility of our body kit with your original (AUDI) exterior styling pack.
